Join the Revu Task Link Beta Test today!

Bluebeam Revu Task Link Beta Project

Ready to sign up for the Revu Task Link Beta test project?

What is Task Link?

Task Link is our new, native connection between Bluebeam Revu and GoCanvas that lets you assign field tasks and view real-time updates within Revu for improved coordination between the office and field.

The project is scheduled to run from August 18th through November 30th. During this time, you'll be among the first to access and test Task Link.

How to sign up

To participate in this beta test, you need a Bluebeam Early Access Program account, Revu 21.7 and a GoCanvas account.

You will need to provide your Bluebeam ID to sign up (BBID), the same login you use to access your Bluebeam account. Don't have a BBID yet? Learn how to create one here.

Apply to this test

Sign In with BBID (Australia)

Sign In with BBID (Germany)

Sign In with BBID (Sweden)

Sign In with BBID (UK)

Sign In with BBID (US)

By proceeding, I agree to the Bluebeam Early Access Program Privacy Policy and Centercode Terms of Use.
