

# EXPEDITE PLAN REVIEWS USING BLUEBEAM STUDIO SESSIONS

Brian J. Hailey, P.E.

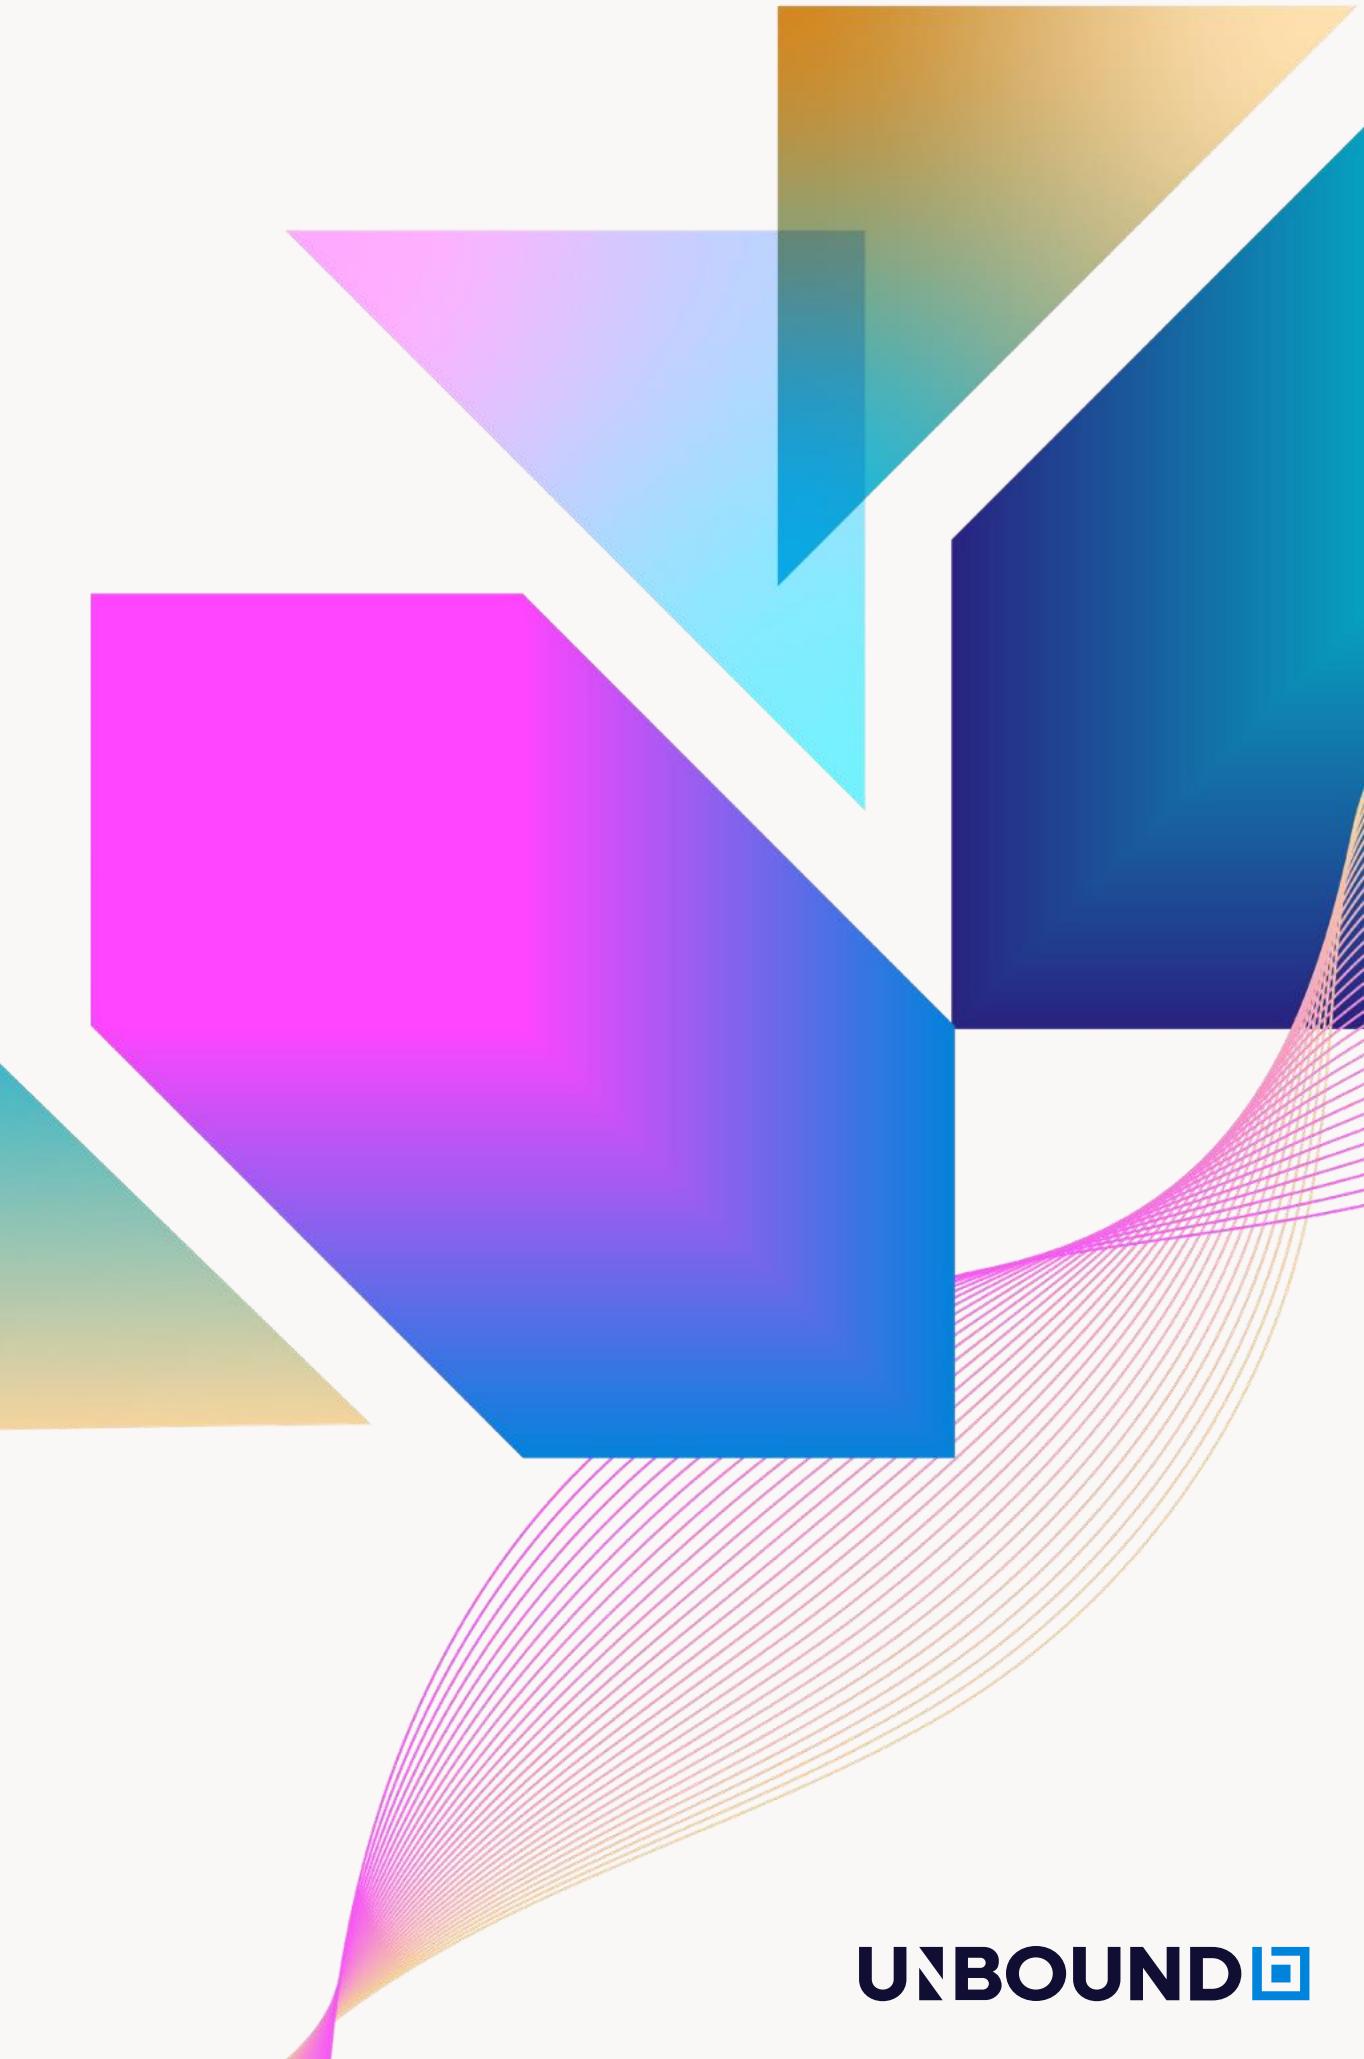

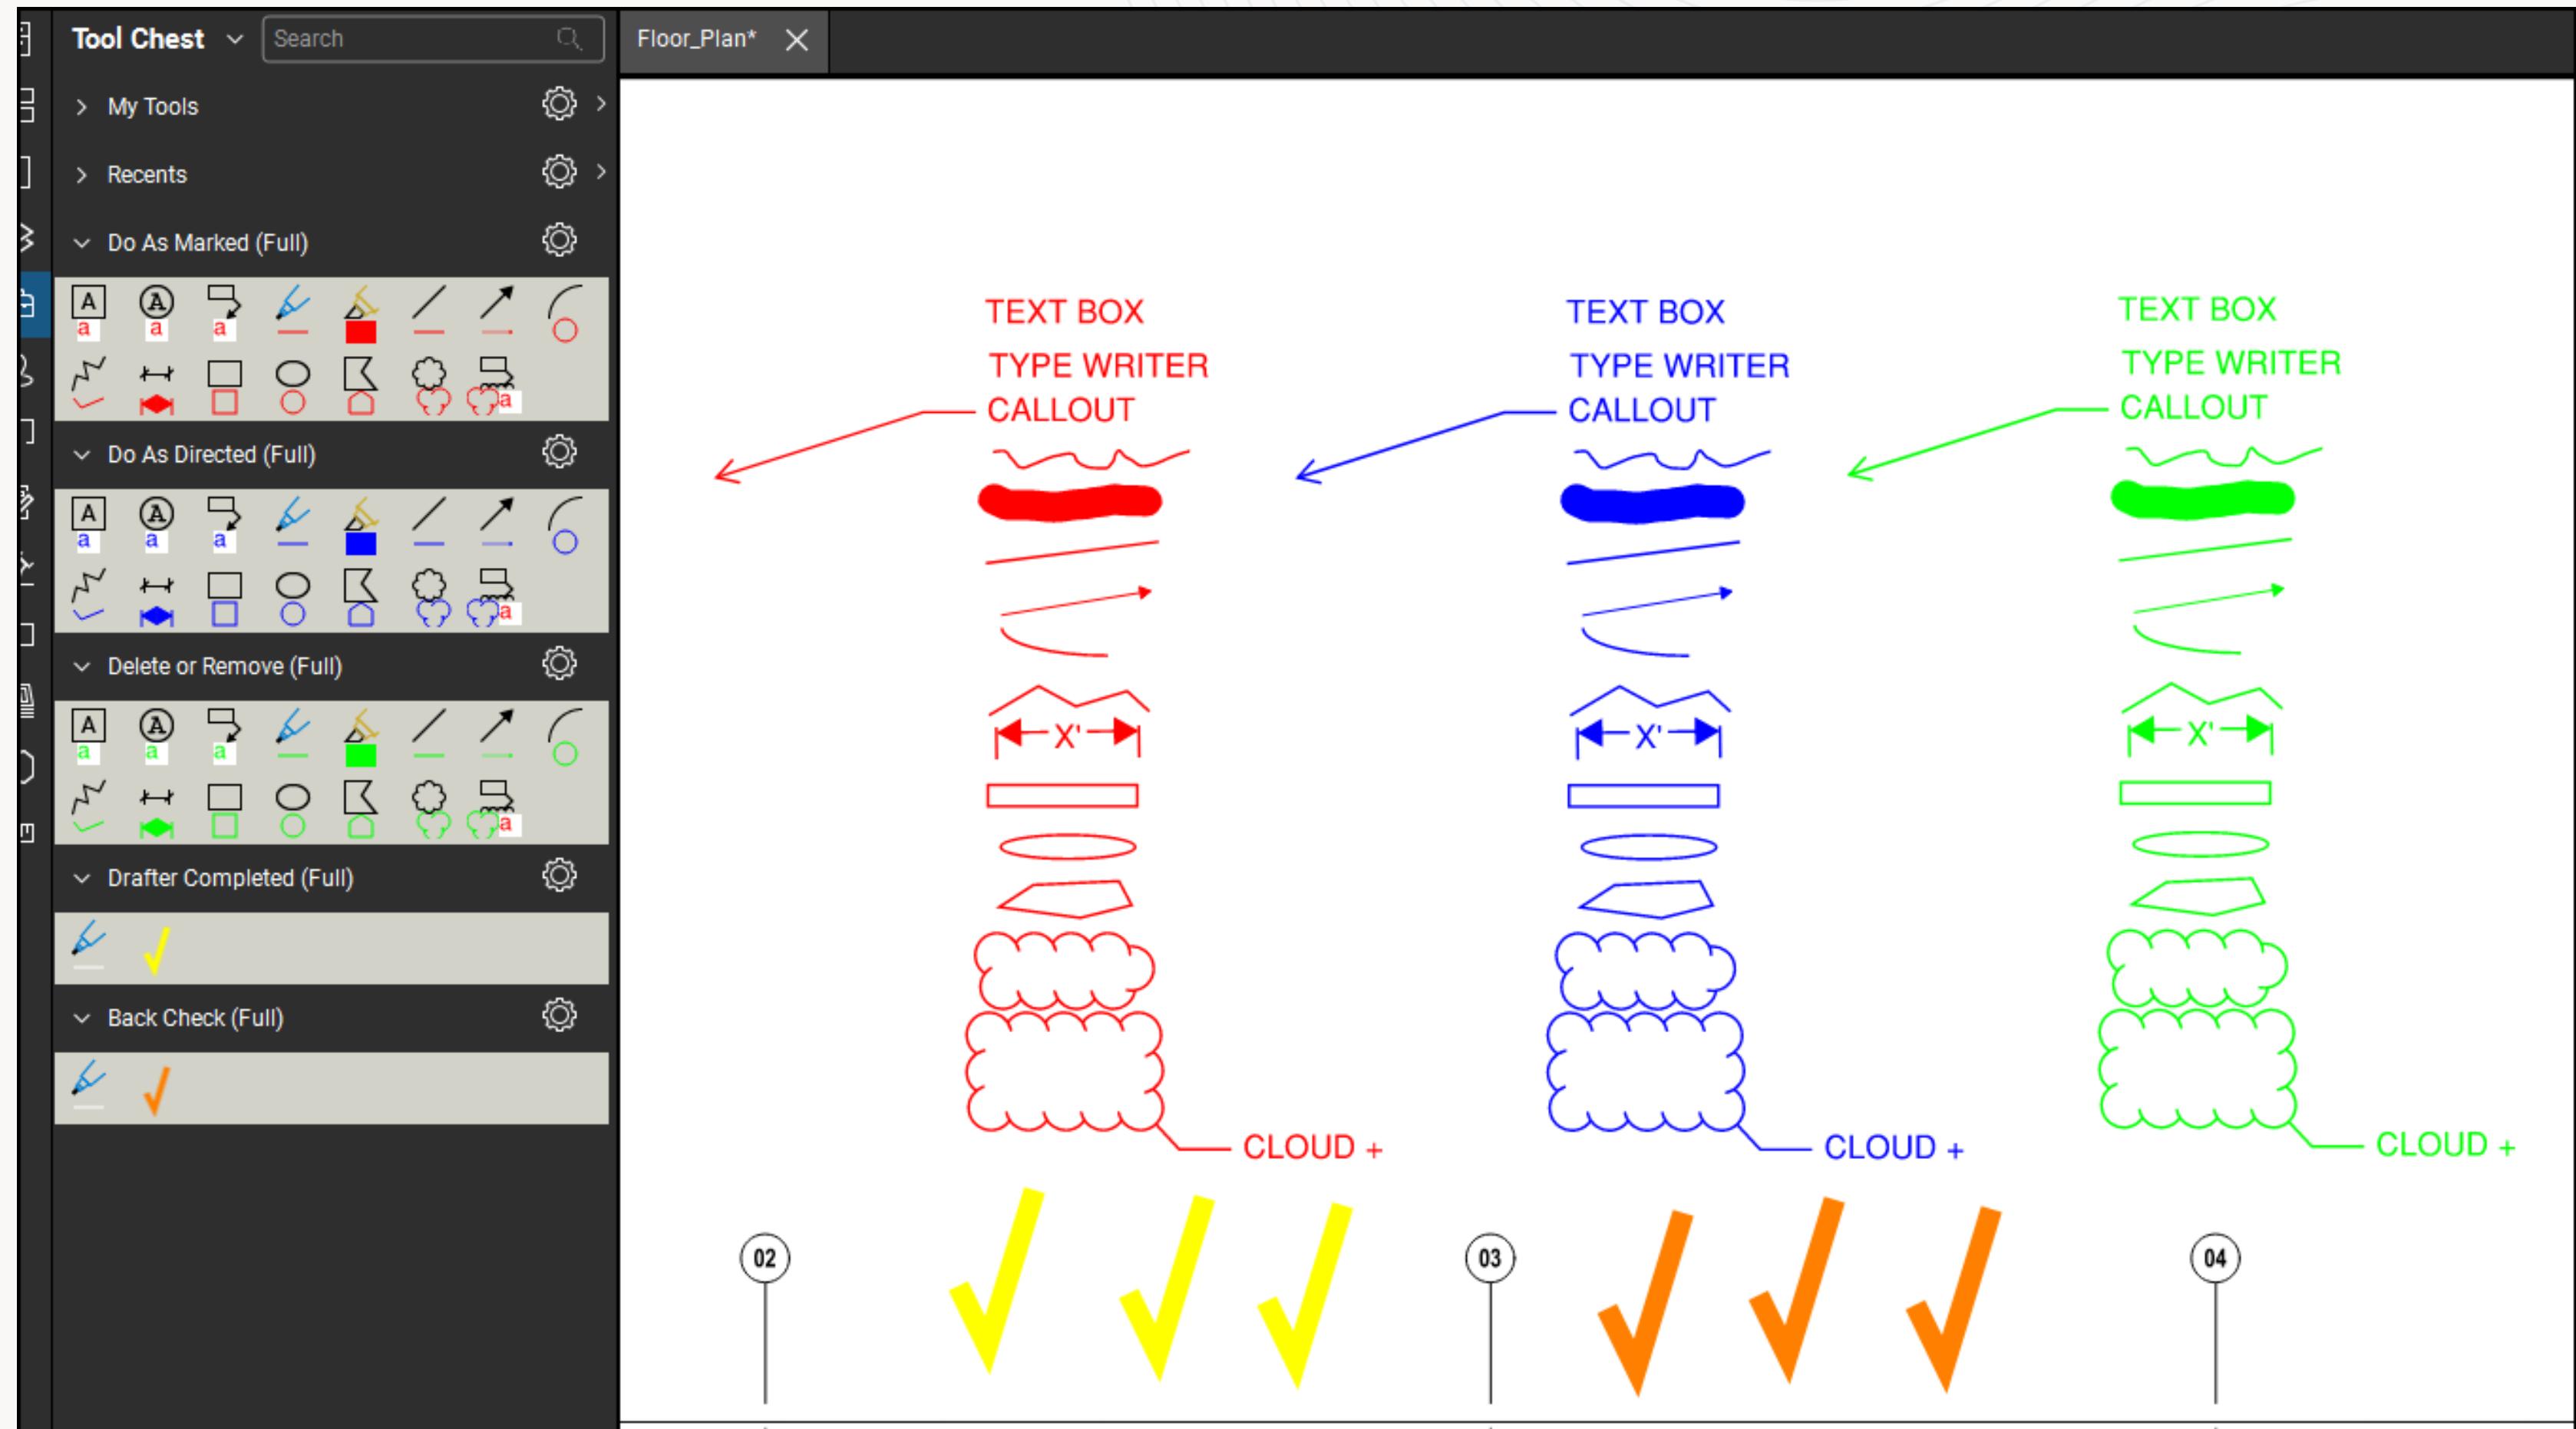

# Agenda

- Create custom markups tailored for plan reviews
- Build toolsets and profiles for consistent feedback
- Use custom statuses to track markup progress and resolution
- Set up and manage a Studio Session, including inviting collaborators.

# Create Custom Markups

Tailored for Plan Reviews

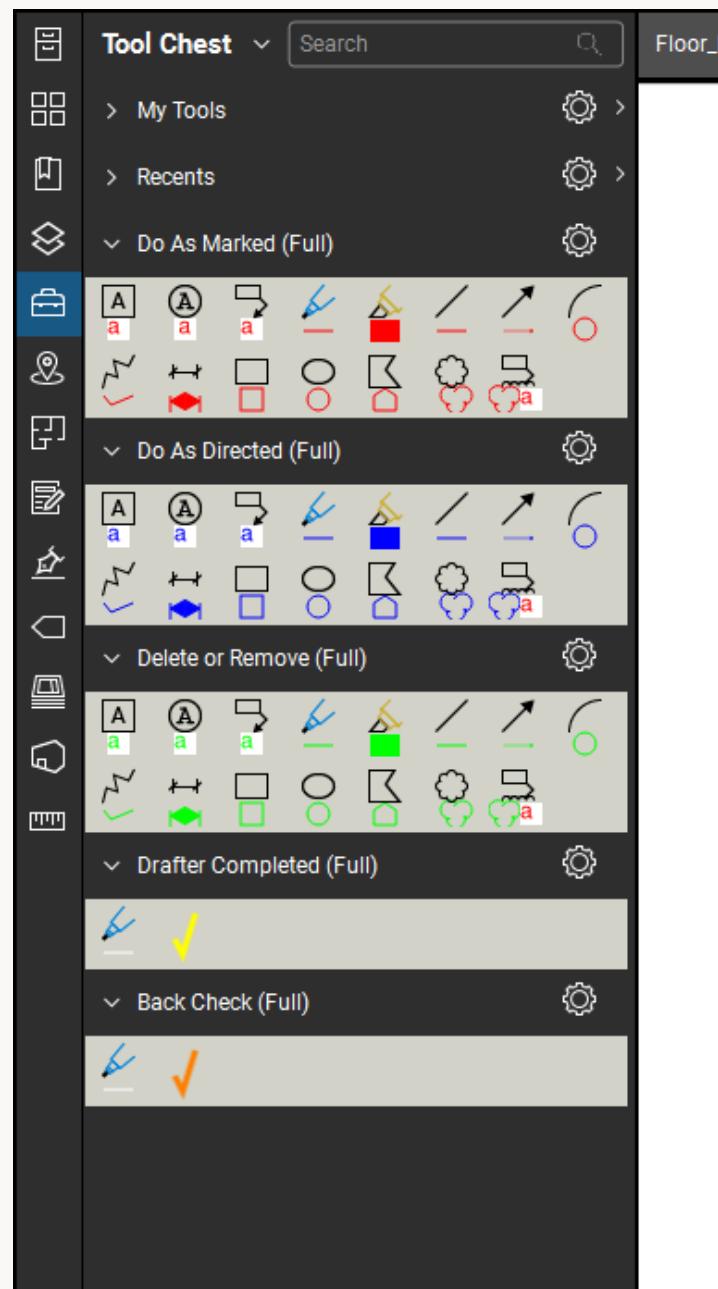

# Build Toolsets and Profiles

for Consistent Feedback

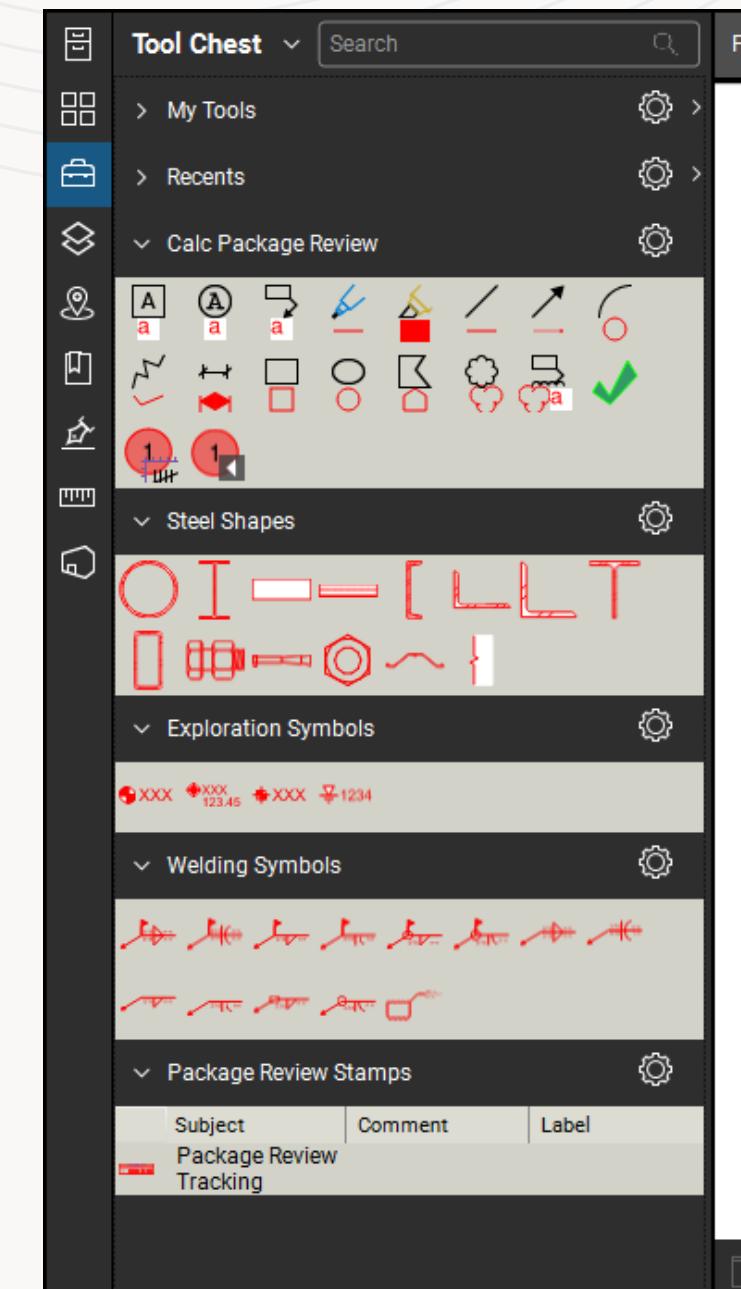

# DIFFERENT PROFILES FOR DIFFERENT TASKS!

## GENERIC PLAN REVIEW

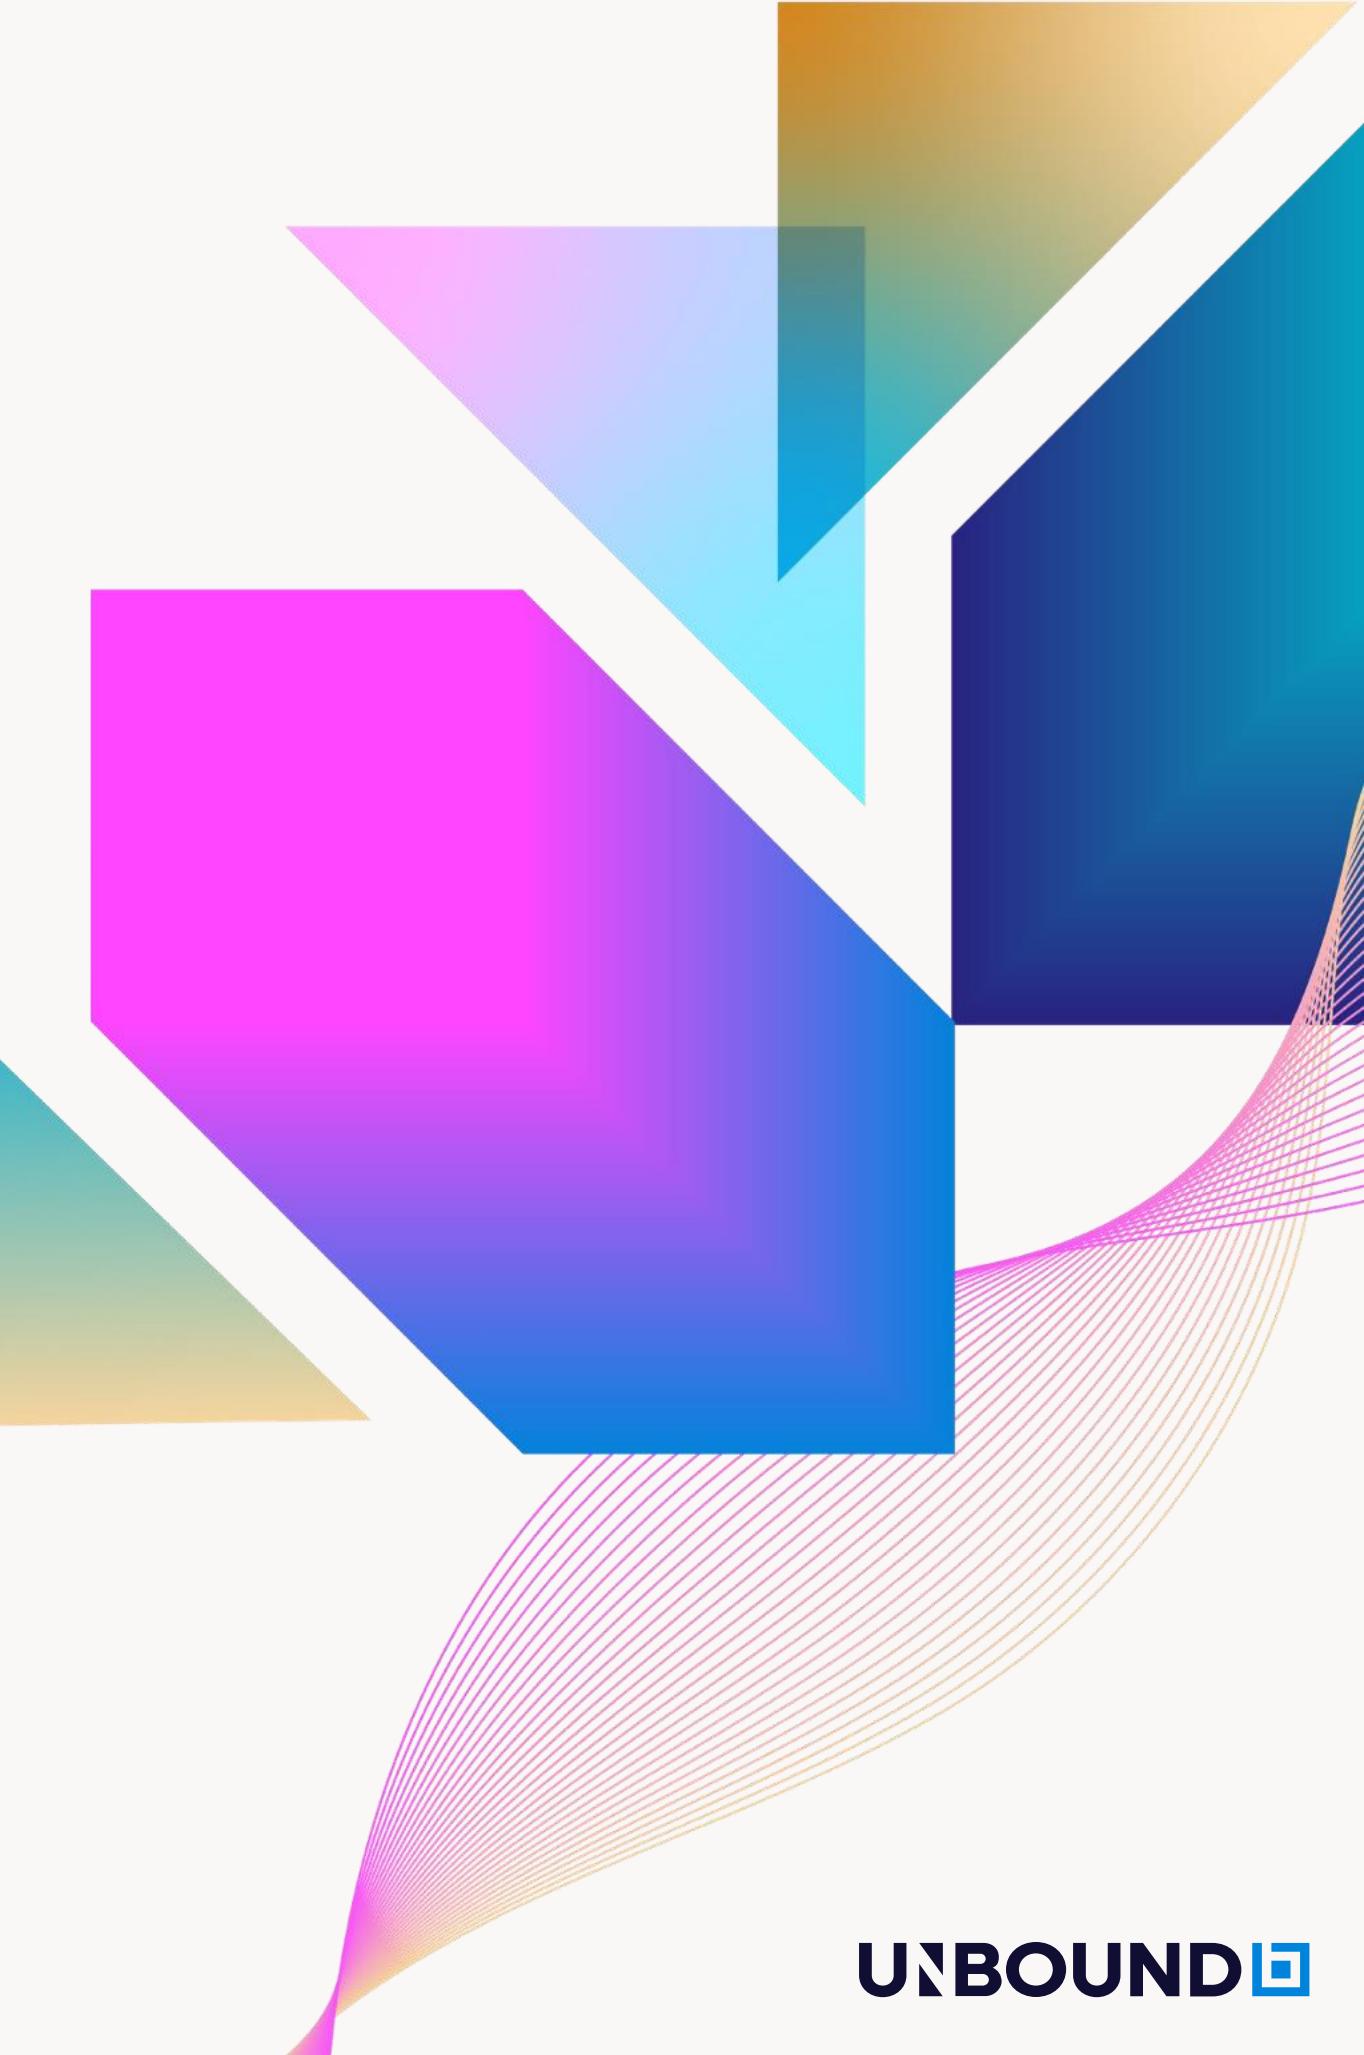

## CALC PACKAGE REVIEW

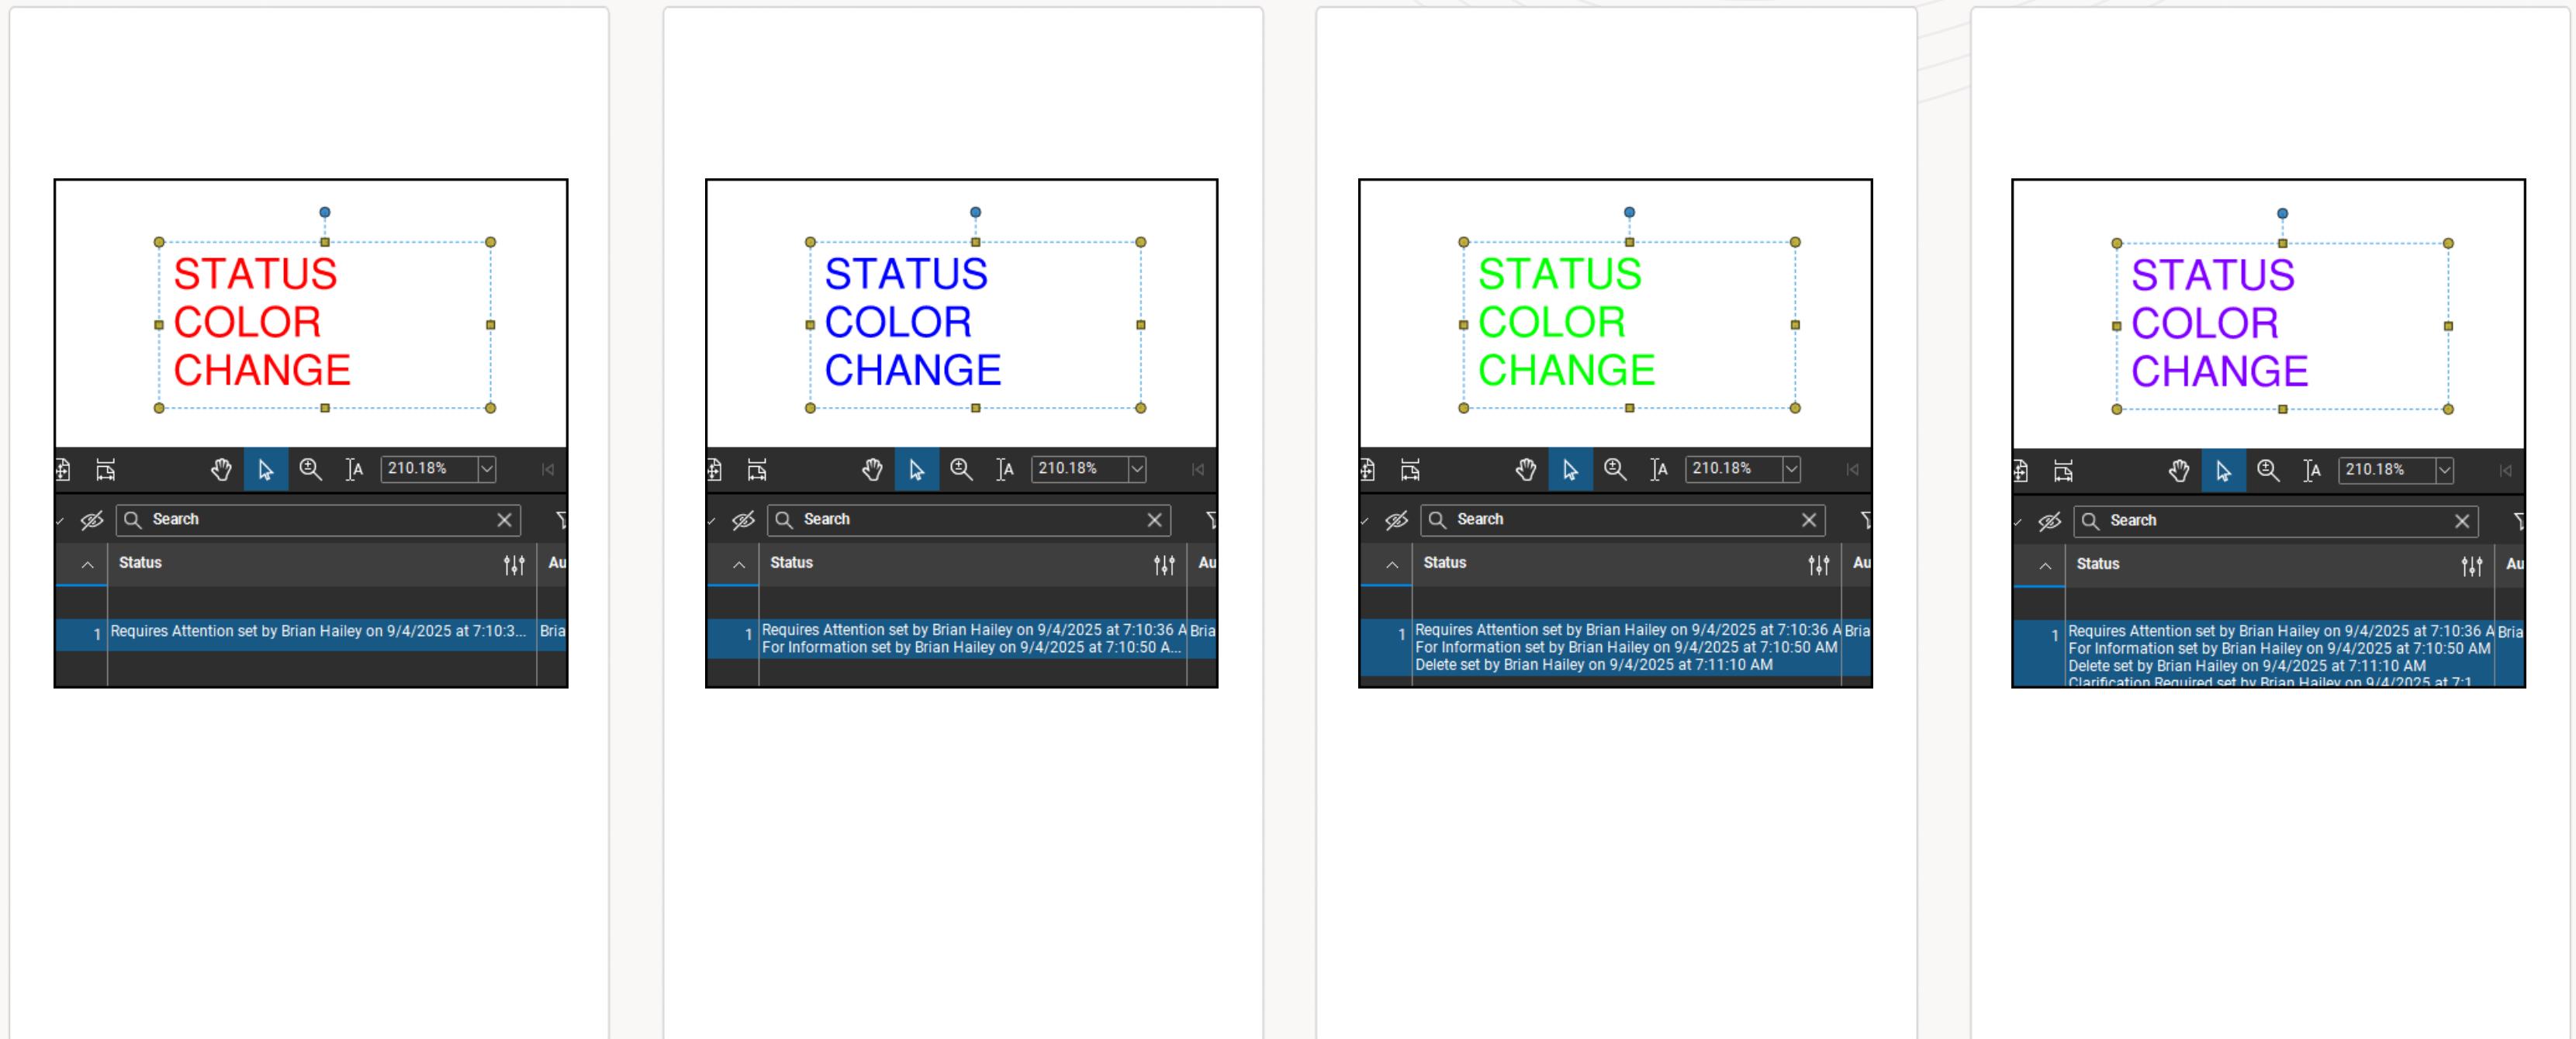

# Use Custom Statuses

to Track Markup Progress and  
Resolution

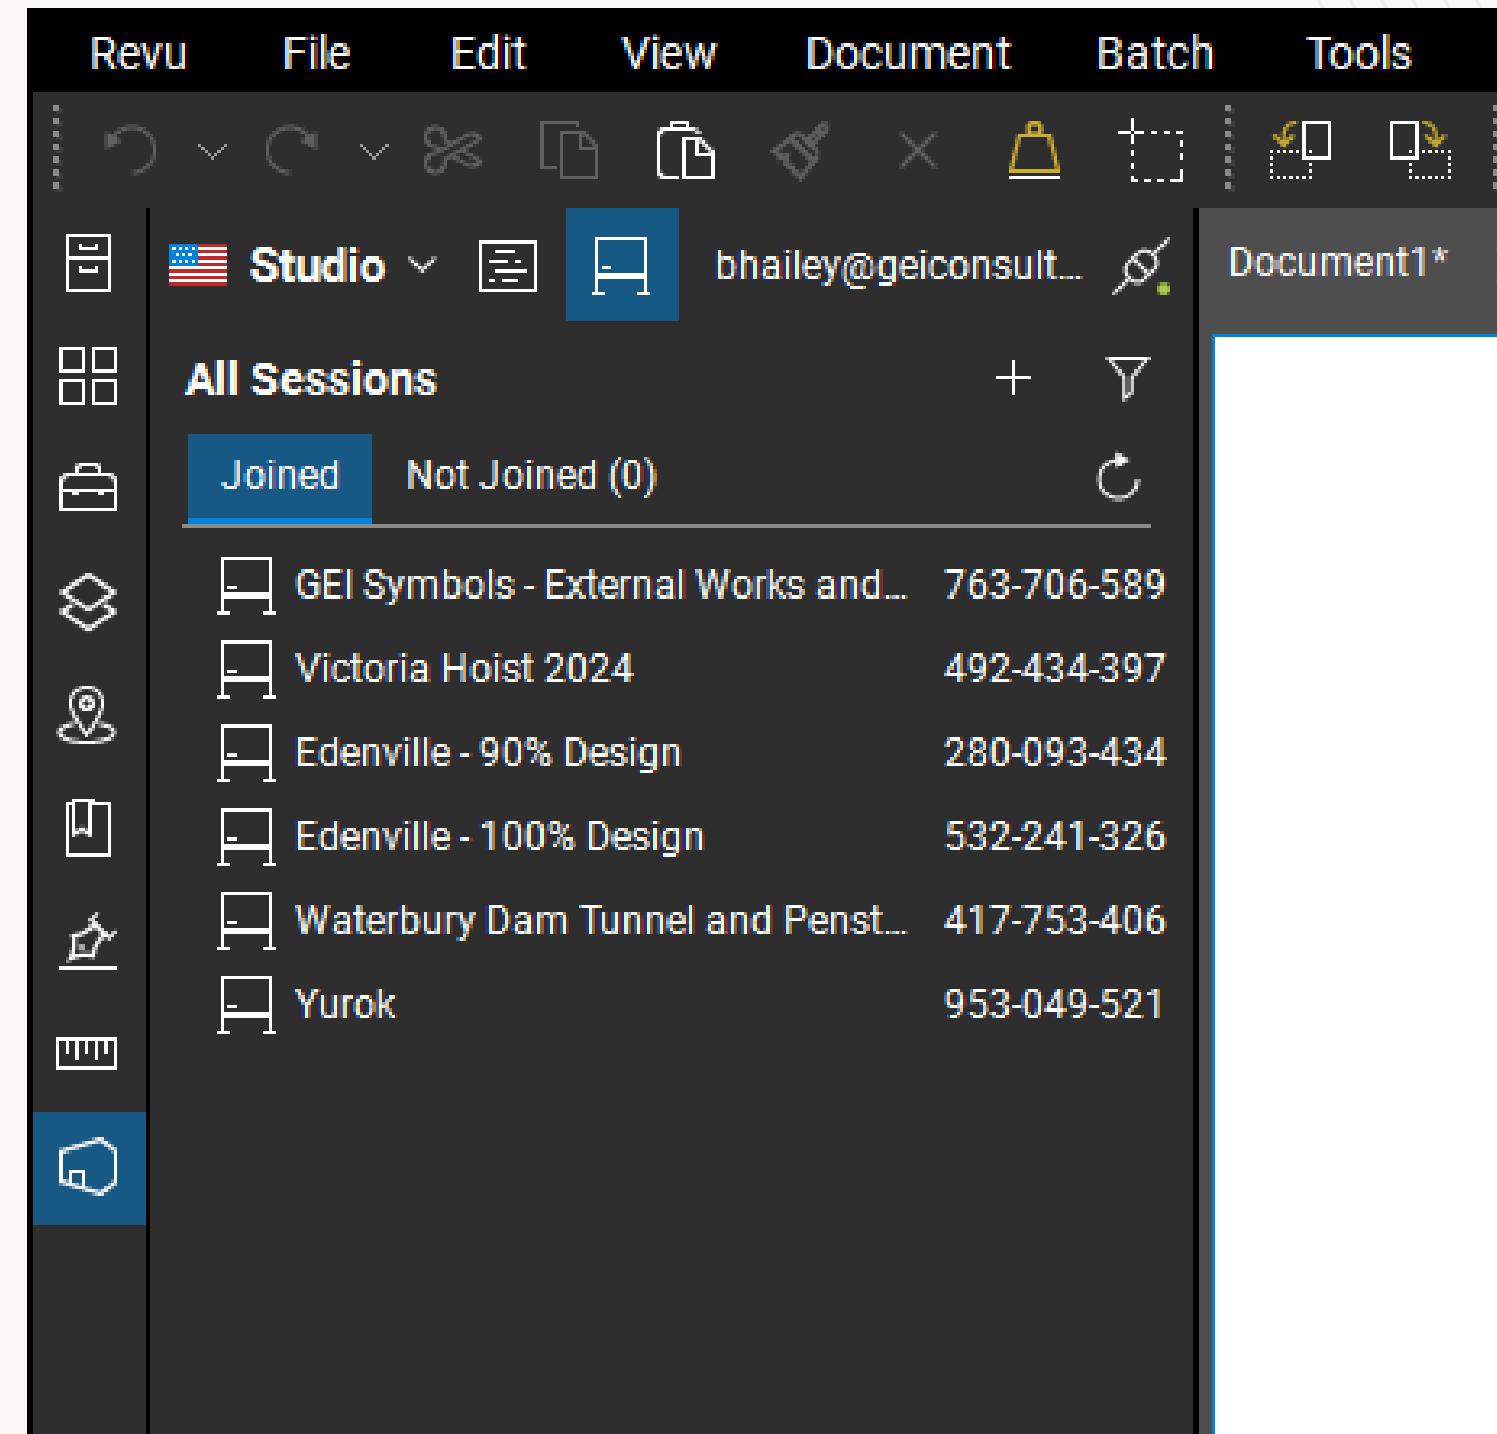

# CUSTOM STATUSES

# Set Up and Manage Studio Sessions

Including Inviting Collaborators

# Thank You
