

# The power of Bluebeam on a web browser

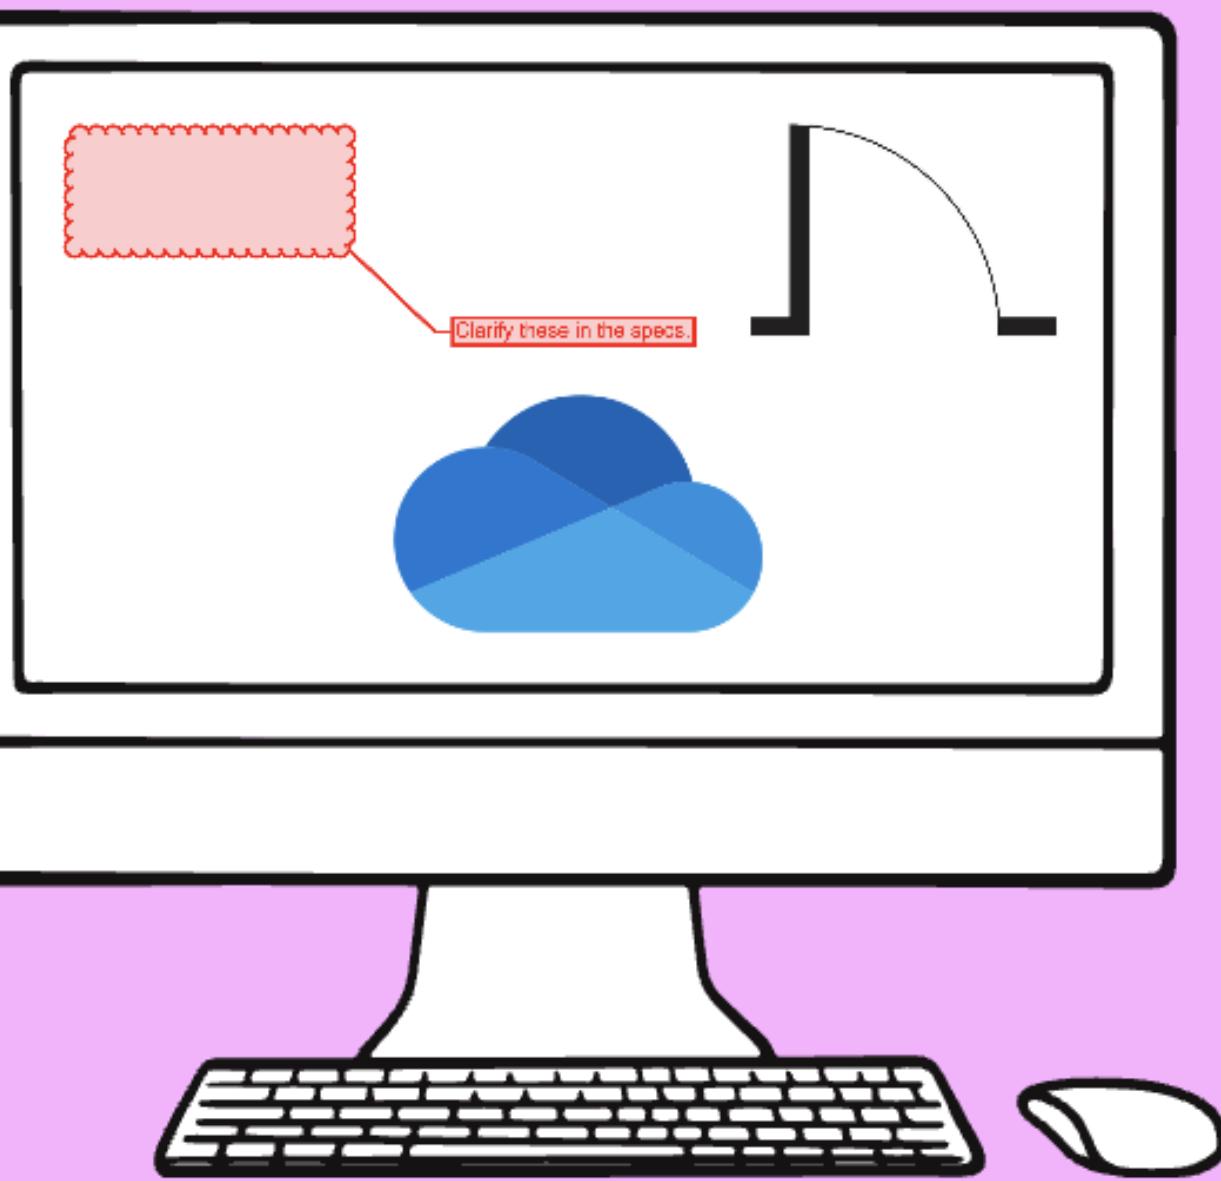

**Alan Arendt**  
Product Manager, Bluebeam

**Jackie Lee**  
Manager, Product Design, Bluebeam

# Agenda

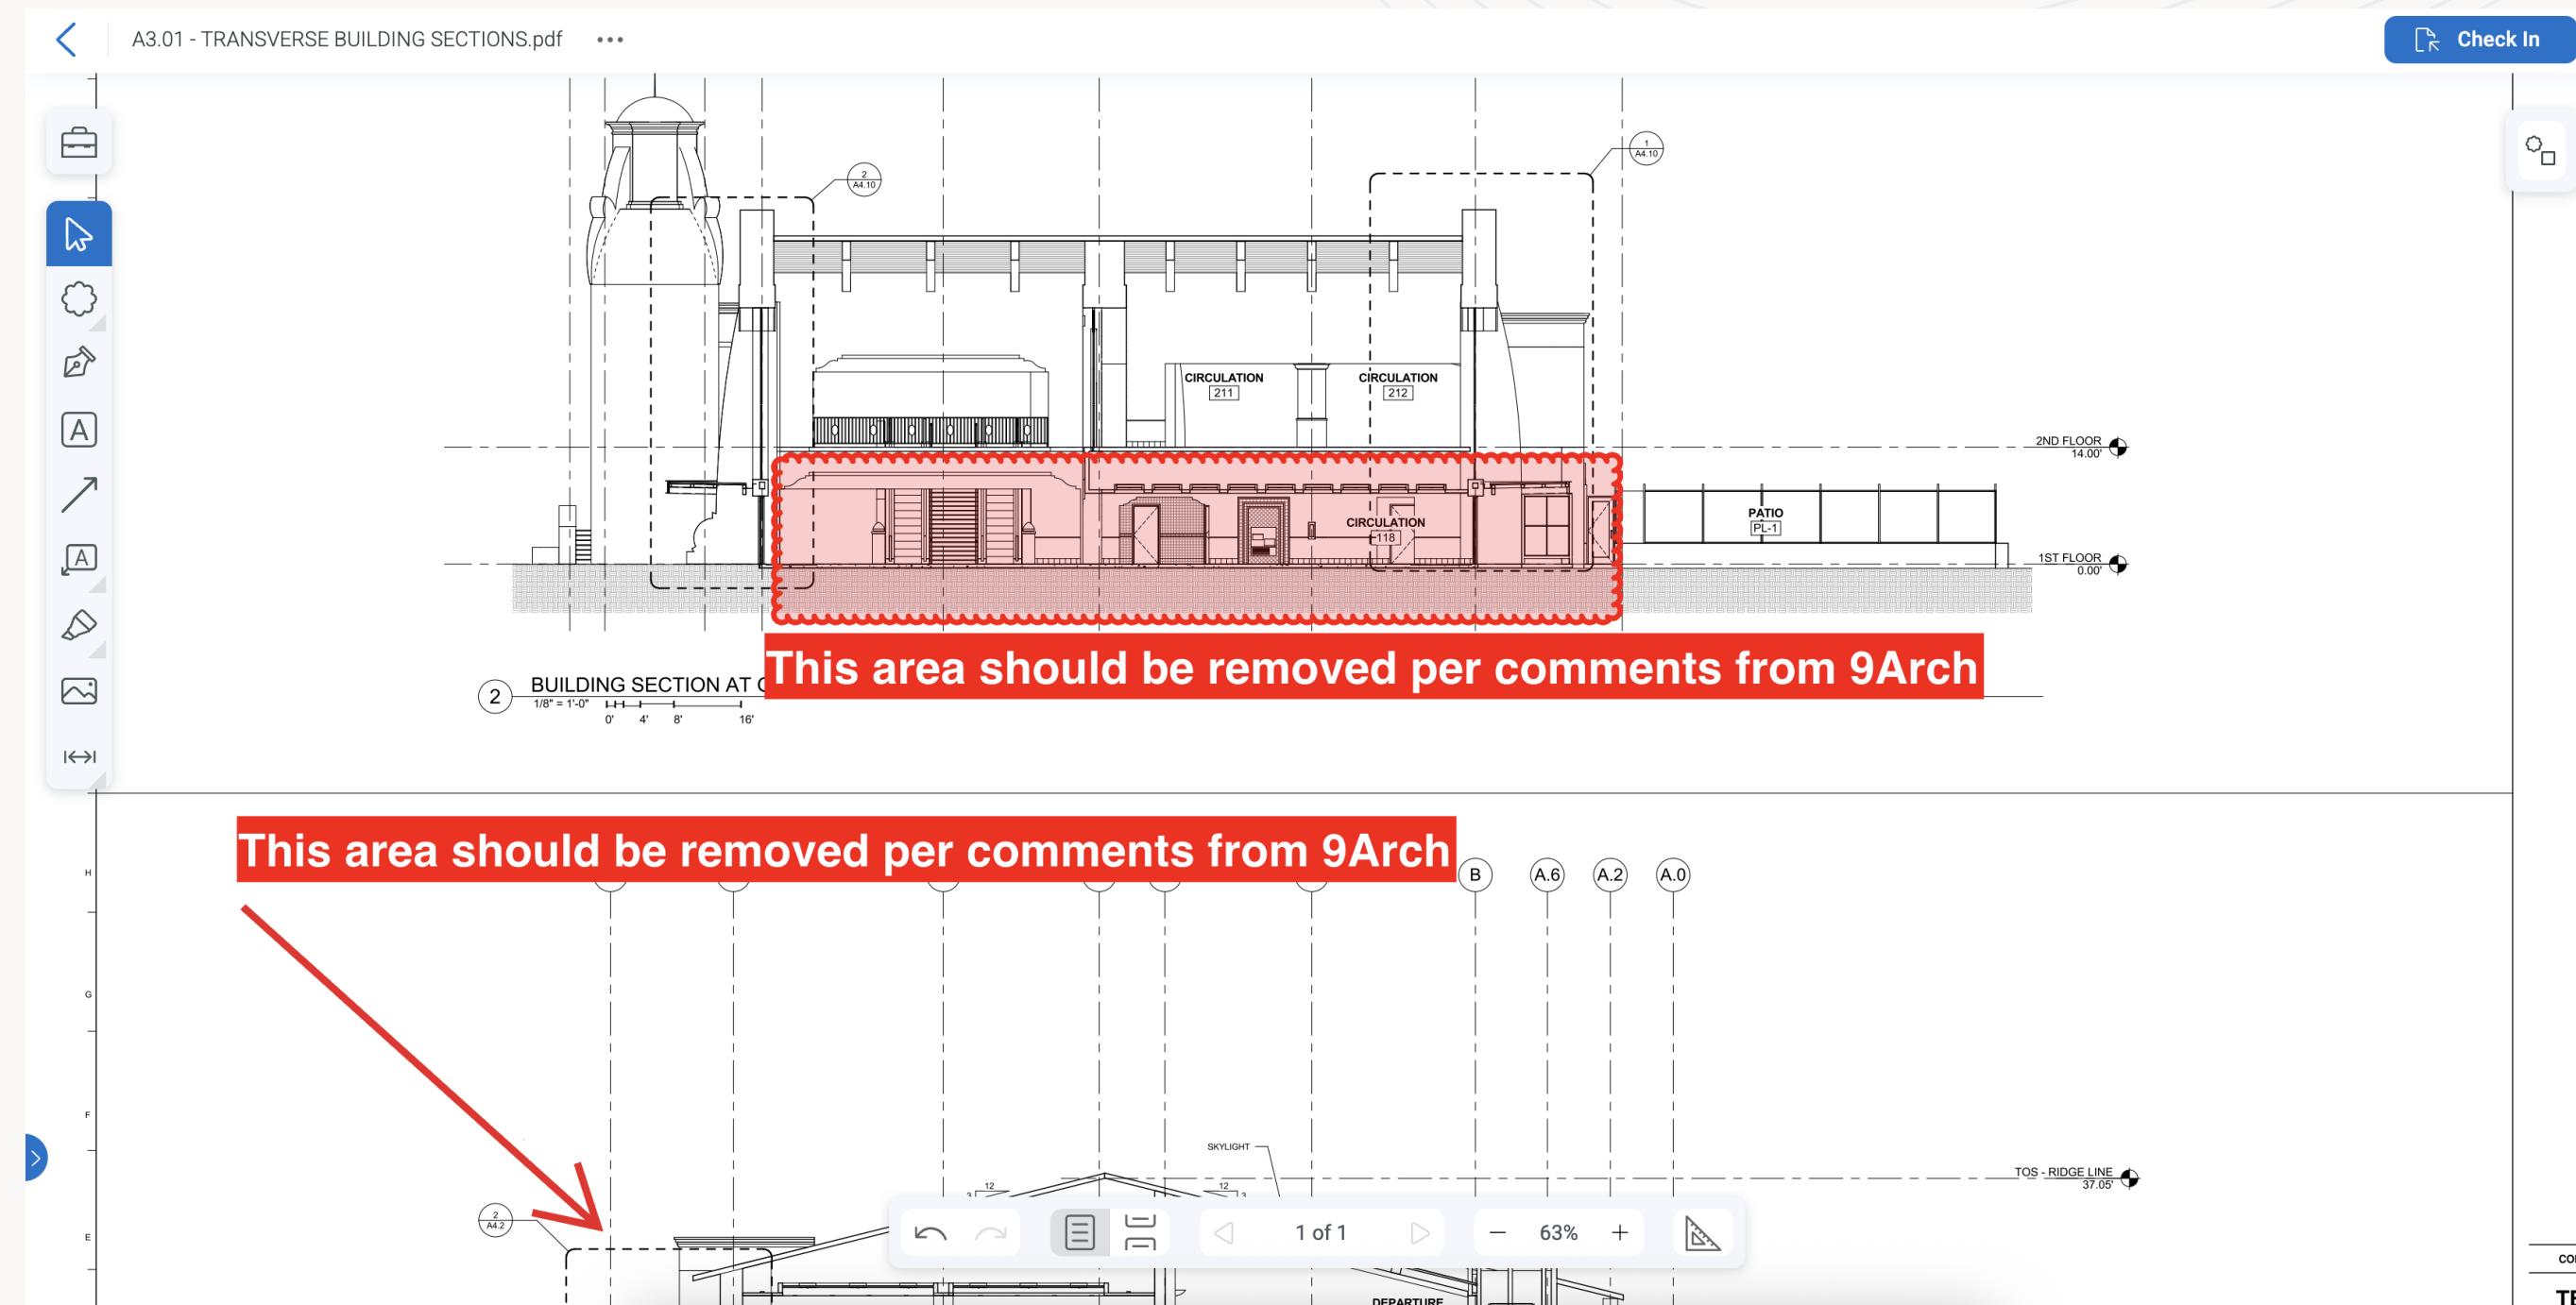

- 01 - Introduction to web
- 02 - Toolsets Anywhere
- 03 - Studio Sessions and Projects
- 04 - Document integrations
- 05 - Open Discussion & Q&A

# The world is going web.

[Insert graph of  
increasing remote  
work, distributed  
teams]

# Technology should serve you – not the other way around

EGNYTE

PROCORE

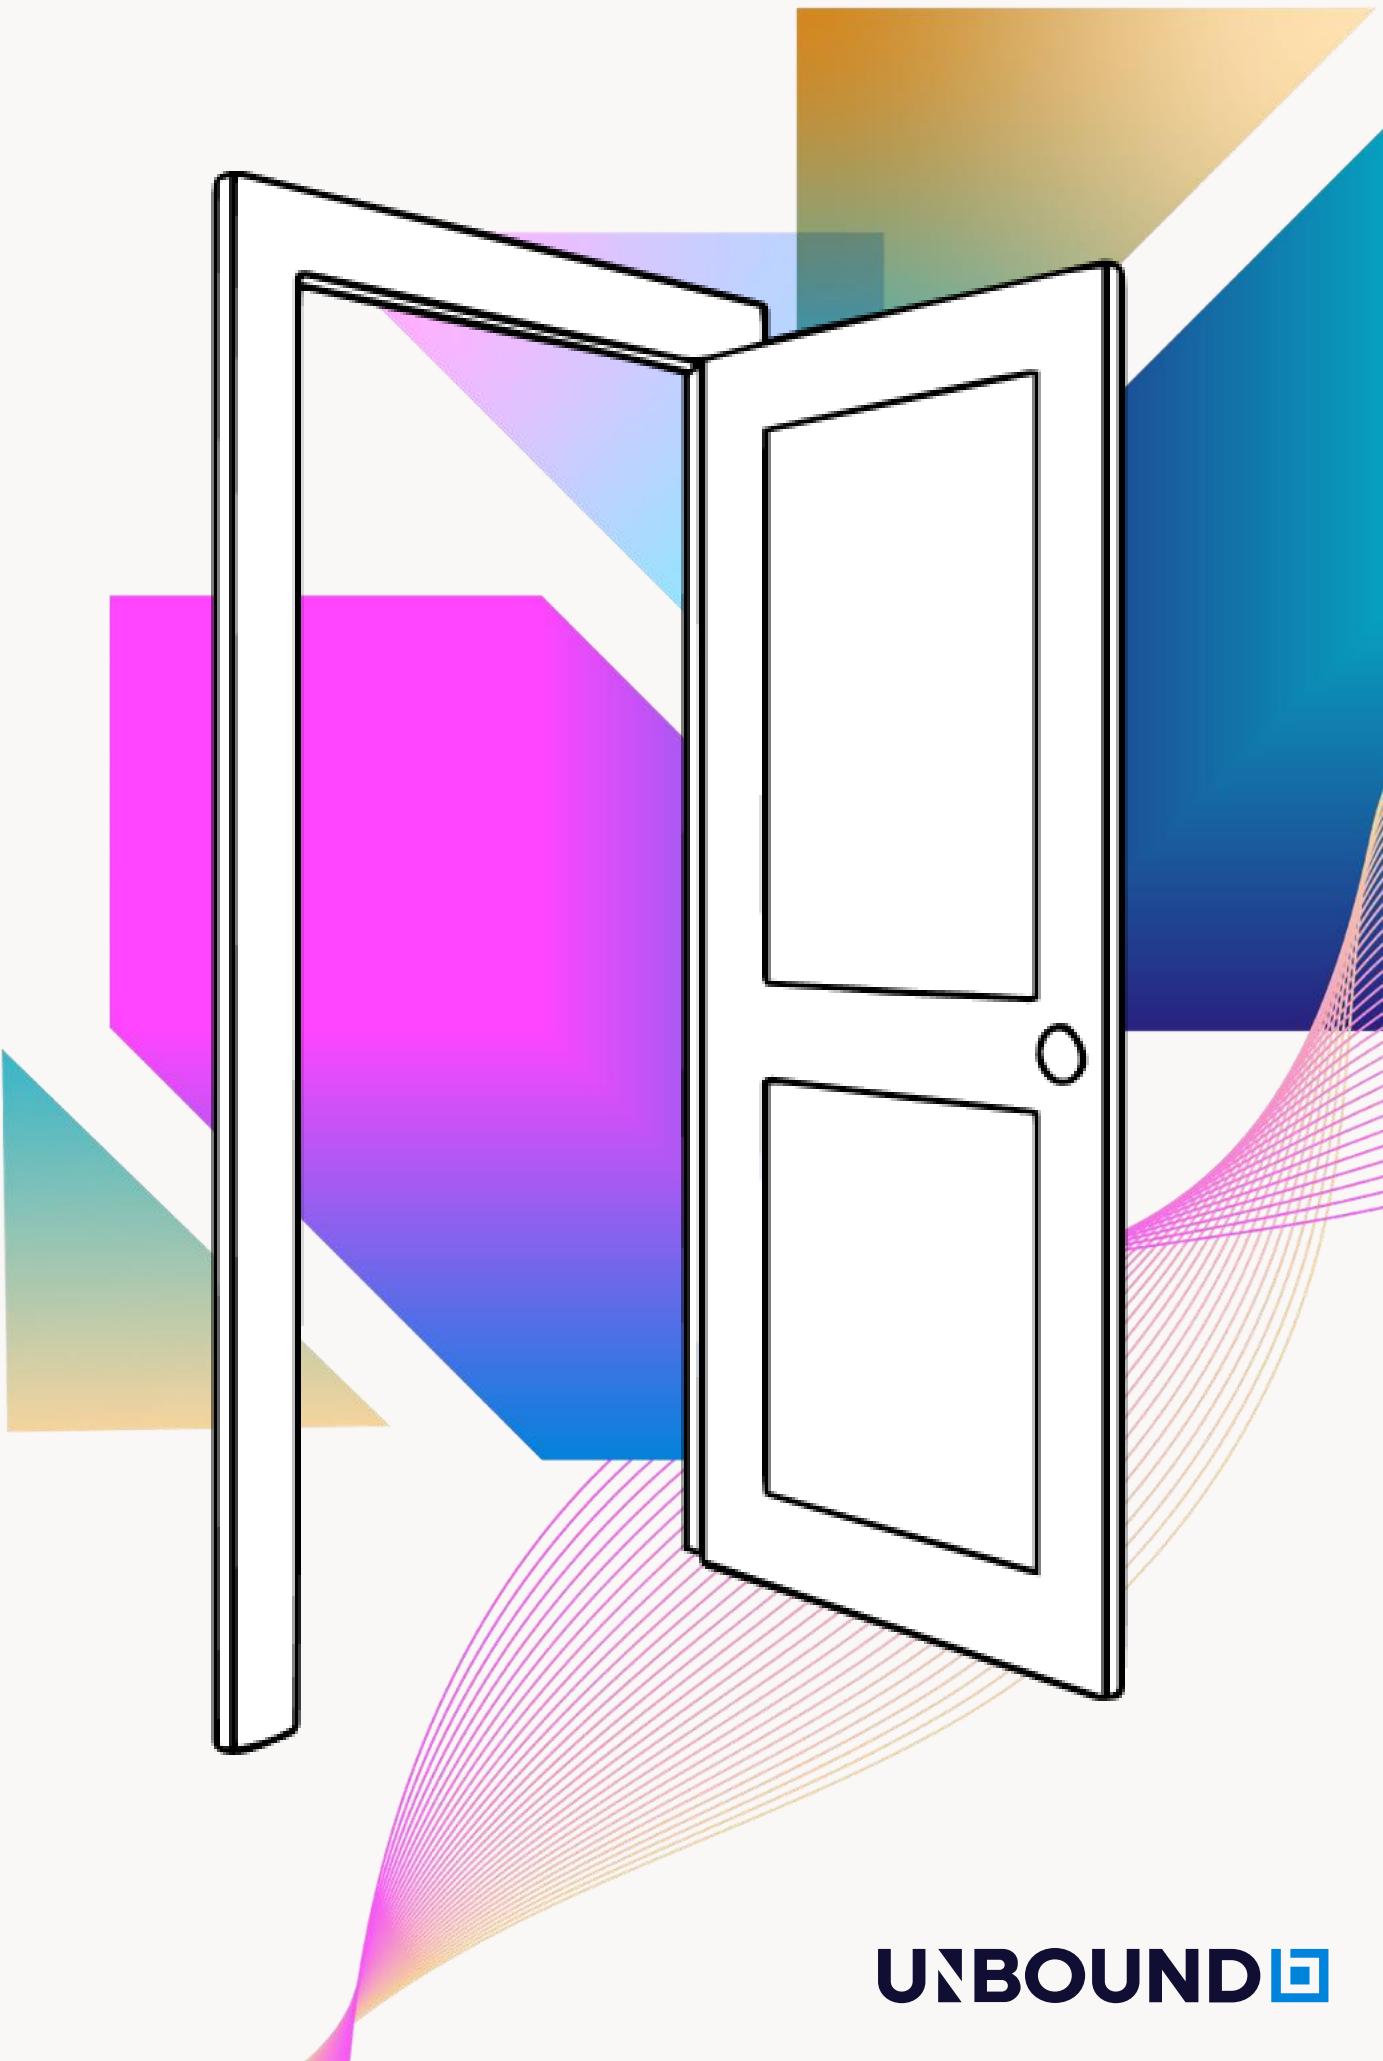

# Your files just got a Passport.

[Document Integration]

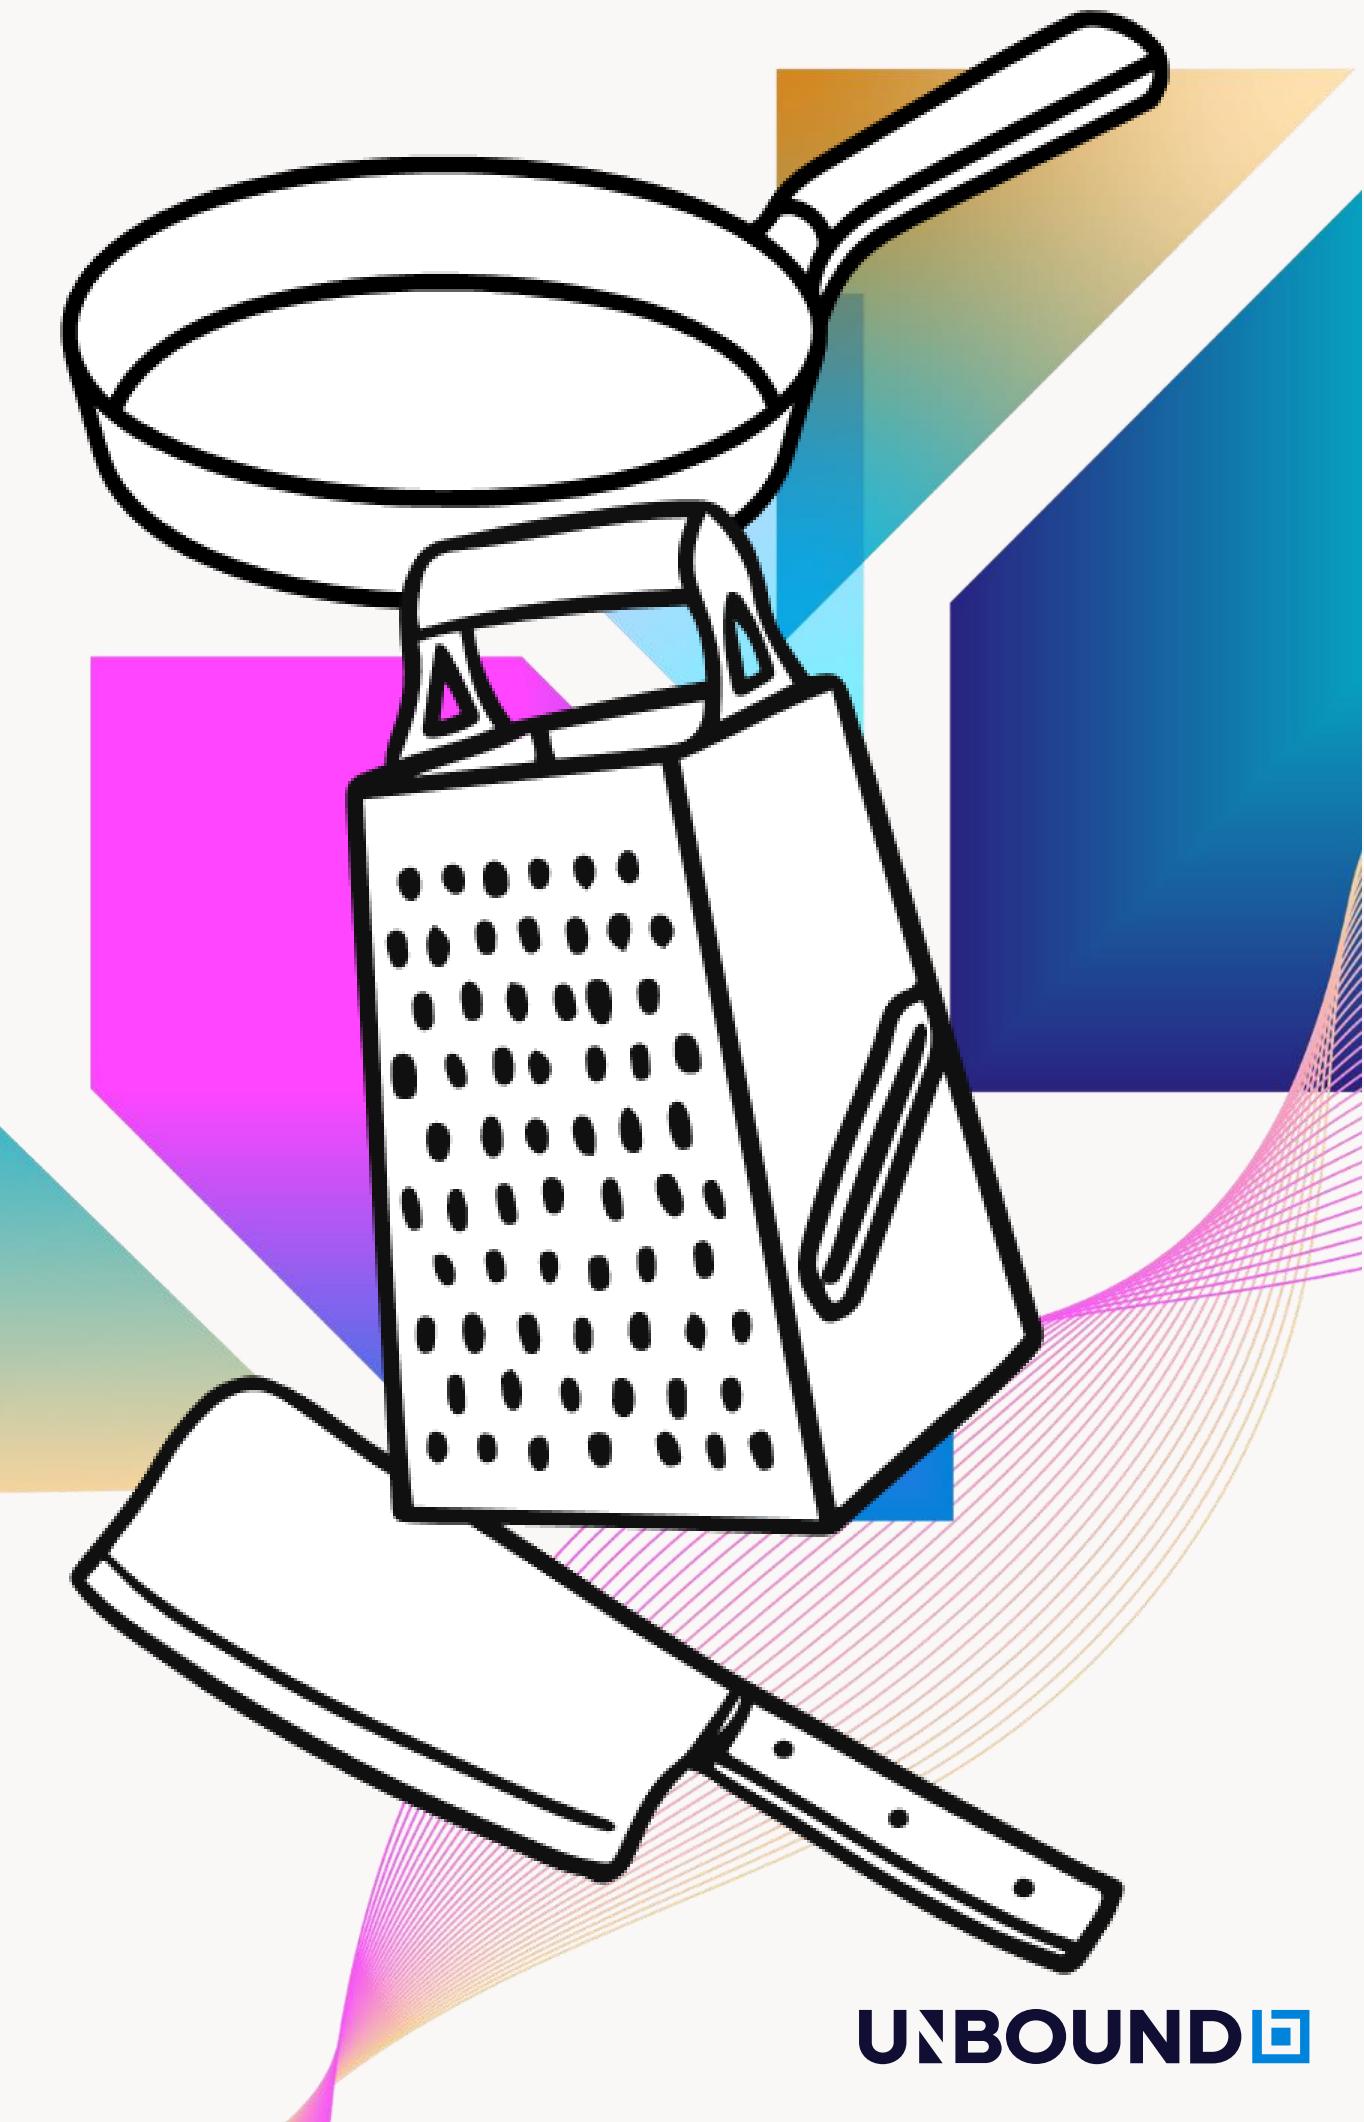

# No license? No problem.

[Studio Projects and Sessions]

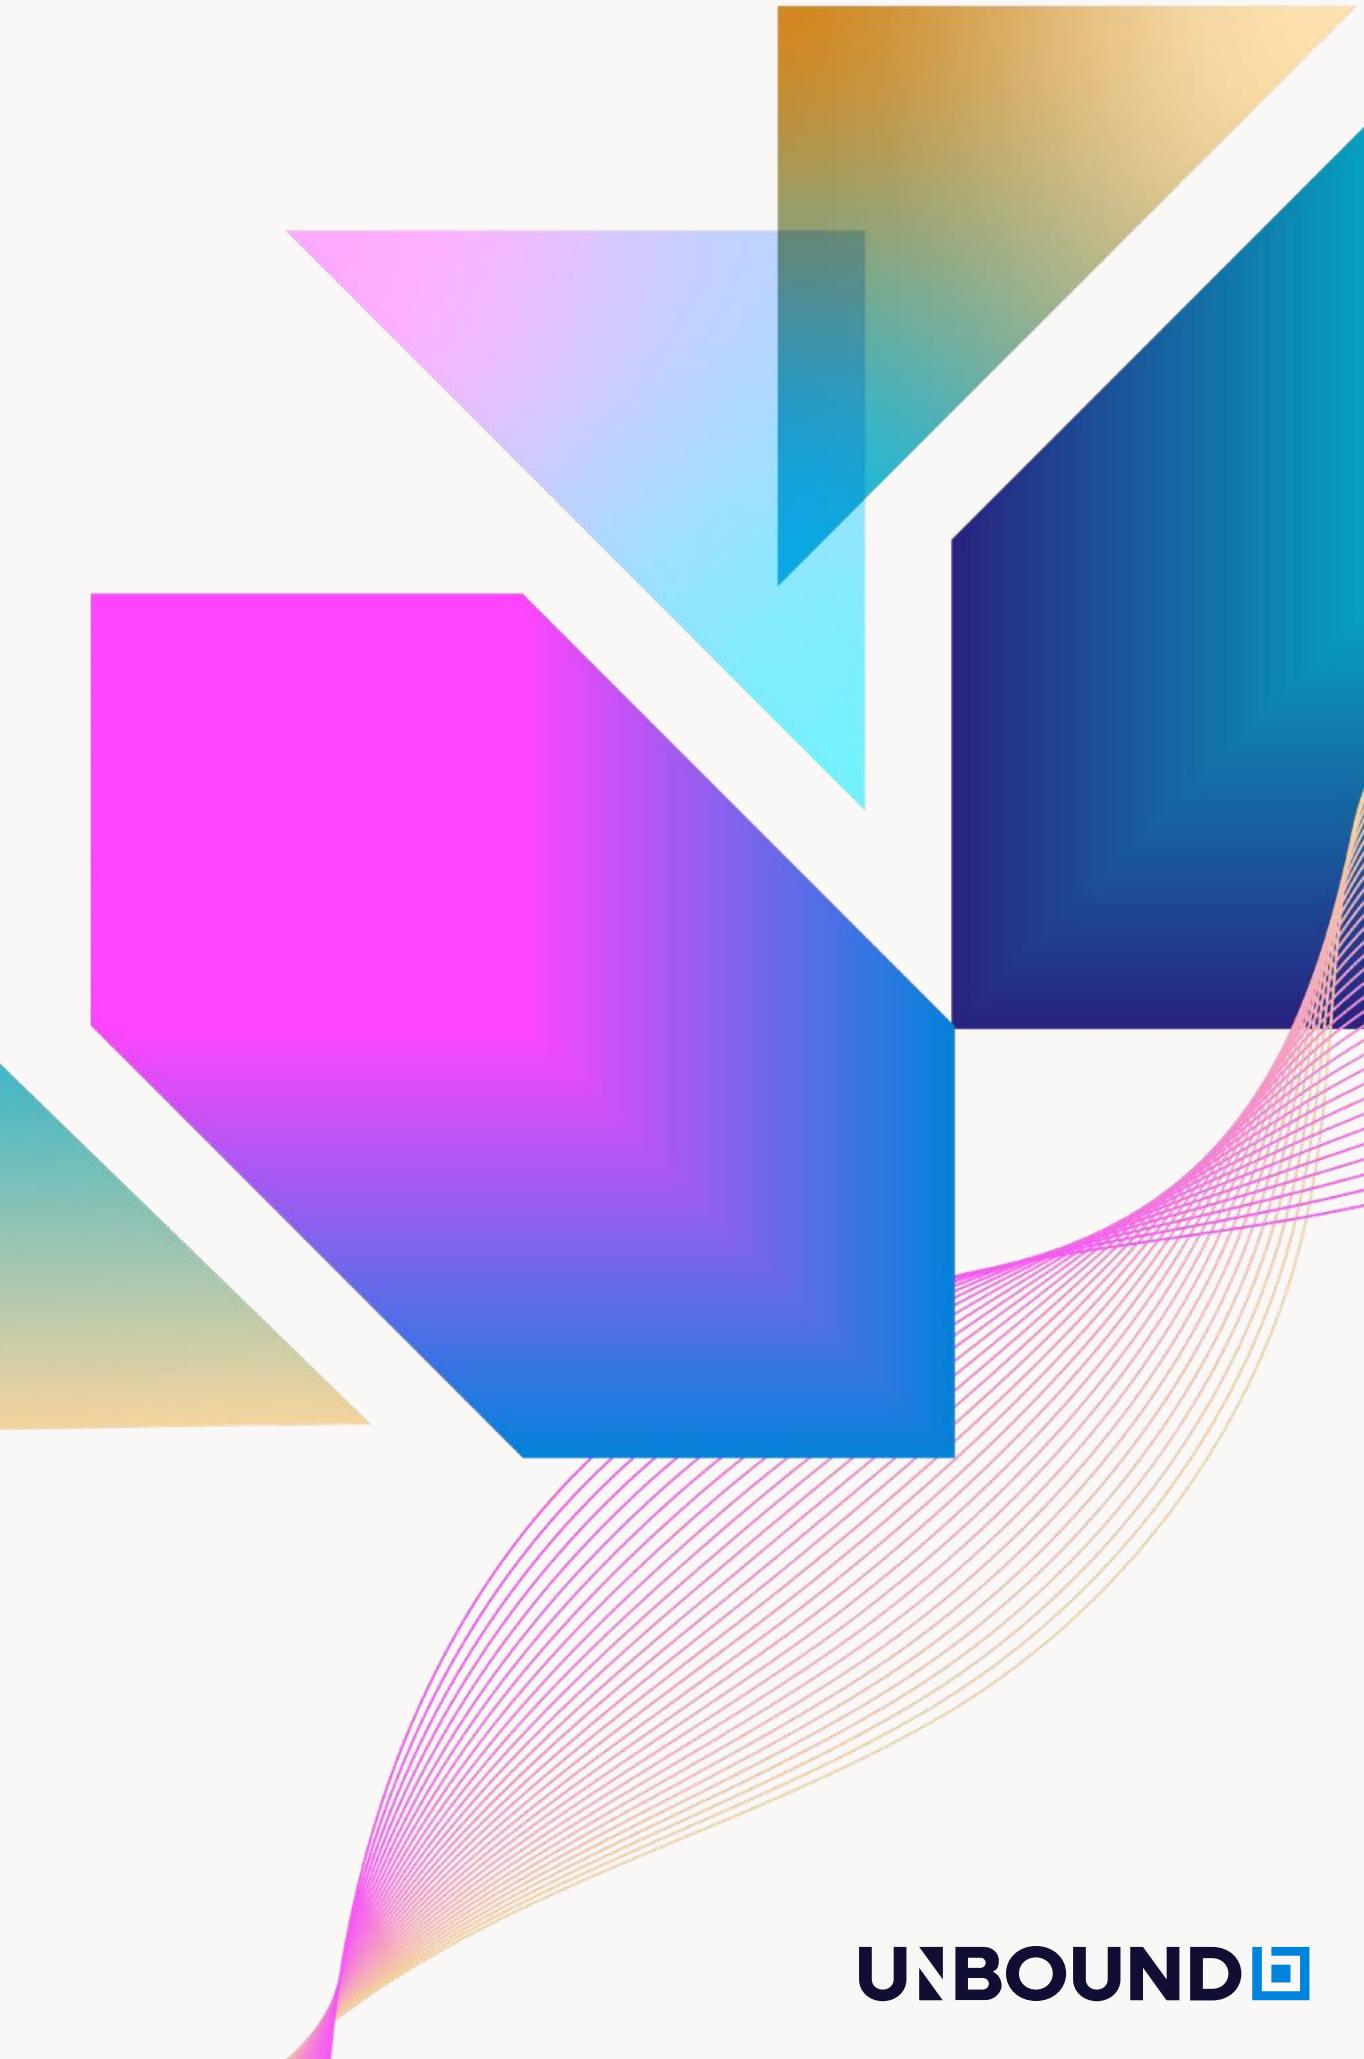

# A chef is only as good as her tools.

[Tool Sets Anywhere]

# Open Discussion & Q&A

How can we help you?

# Thanks for Joining
